The Outpost – International Placement Award

Introduction

The Outpost – International Placement Award recognizes students who seek a nursing experience in a different cultural setting. Such alternative experiences often have a profound impact on the participant and their future nursing practice, yet the financial considerations can be a difficult obstacle to overcome. The CNSA/AEIC recognizes the importance of such experiences and wishes to encourage and support students to achieve such goals.

- The applicant must be going on an outpost placement planned to start within 9 months of the application or have completed a outpost placement within the past 6 months.

- The candidate must successfully complete the previous academic year in which the application is made.
- Current members of the CNSA Board of Directors are not eligible for the award in their year of office.
